TESTIMONIALS:

“ I recommend Michele and all of her staff at Pro Motions. This is a wonderful place to train your team or child. The staff at Pro Motions is knowledgeable and personable. Kids don't care how much you know until they know how much you care. Kids and parents all feel welcome here.”
GUY EBEL, PARSIPPANY TORNADOS BASEBALL

“Michele is a reliable and strong team player. She has gone above and beyond to make our experience at her training facility top notch. The Pro Motions staff have been able to accommodate my team's schedule time and time again ensuring my team's needs are met. Michele also understands and emphasizes the importance of her facility in the development of young athletes. Michele and her staff are always looking for new options and ways to make the workouts different and interesting for the athletes. Pro Motions Training Academy has been a great partner in the training and preparation of my 10u club team. Thanks Again !!
MICHAEL GEMMA, TSUNAMI SOFTBALL

“Our organizations, The Passaic Valley Baseball League & TriBoro Sting have used Pro Motions for many years. The facility is constantly being upgraded and maintains the leading edge of technology and training materials. The facility is clean, well maintained and the environment is friendly and supportive of good sportsmanship. What helps Pro Motions stand out is Michele and her staff. Michele has supported our in-town and travel programs with top shelf trainers, very fair prices, tryouts and even to have some fun with a group of kids on a slow evening. Michele is a true professional, and perhaps more importantly, she keeps her focus on why we do this... for our young athletes.
GALE GALESE, TOTOWA PAL, TRIBORO STING

“Michele is personable and professional. She went out of her way to give us a free trial, and worked with us to provide a proposal that fit our needs and our budget.
RALPH ARTIGLIERE

“Michele has opened a training academy this is always looking to better the kids. She will work with you, her prices are reasonable and she hires a staff that is not only knowledgeable of the subject (hitting, pitching, fielding, etc) but are excellent with the kids no matter what their level. My son has been taking lessons for years there not to mention clinics and practices. I would recommend Pro Motions to anyone. I will not go anywhere else!” NINA HALL, TOTOWA, NJ

“Michele is the ultimate professional and runs her business accordingly. She has always delivered on what she promised and is an asset to any organization. “
NICHOLAS SISCO, MONTVILLE, NJ
